

WINTER WONDERLAND
MERRY CHRISTMAS
DANCE

Little Wilhelmina

peed her pants

while doing her

Merry Christmas dance.

It was when she twirled

and as she bent

that she had her accident.

Poor Wilhelmina
began to cry, ~~at~~ and all
could see the reason why.

Santa too
saw her embarrassment,
so he sent the north
wind to blow.

through her window
down below.

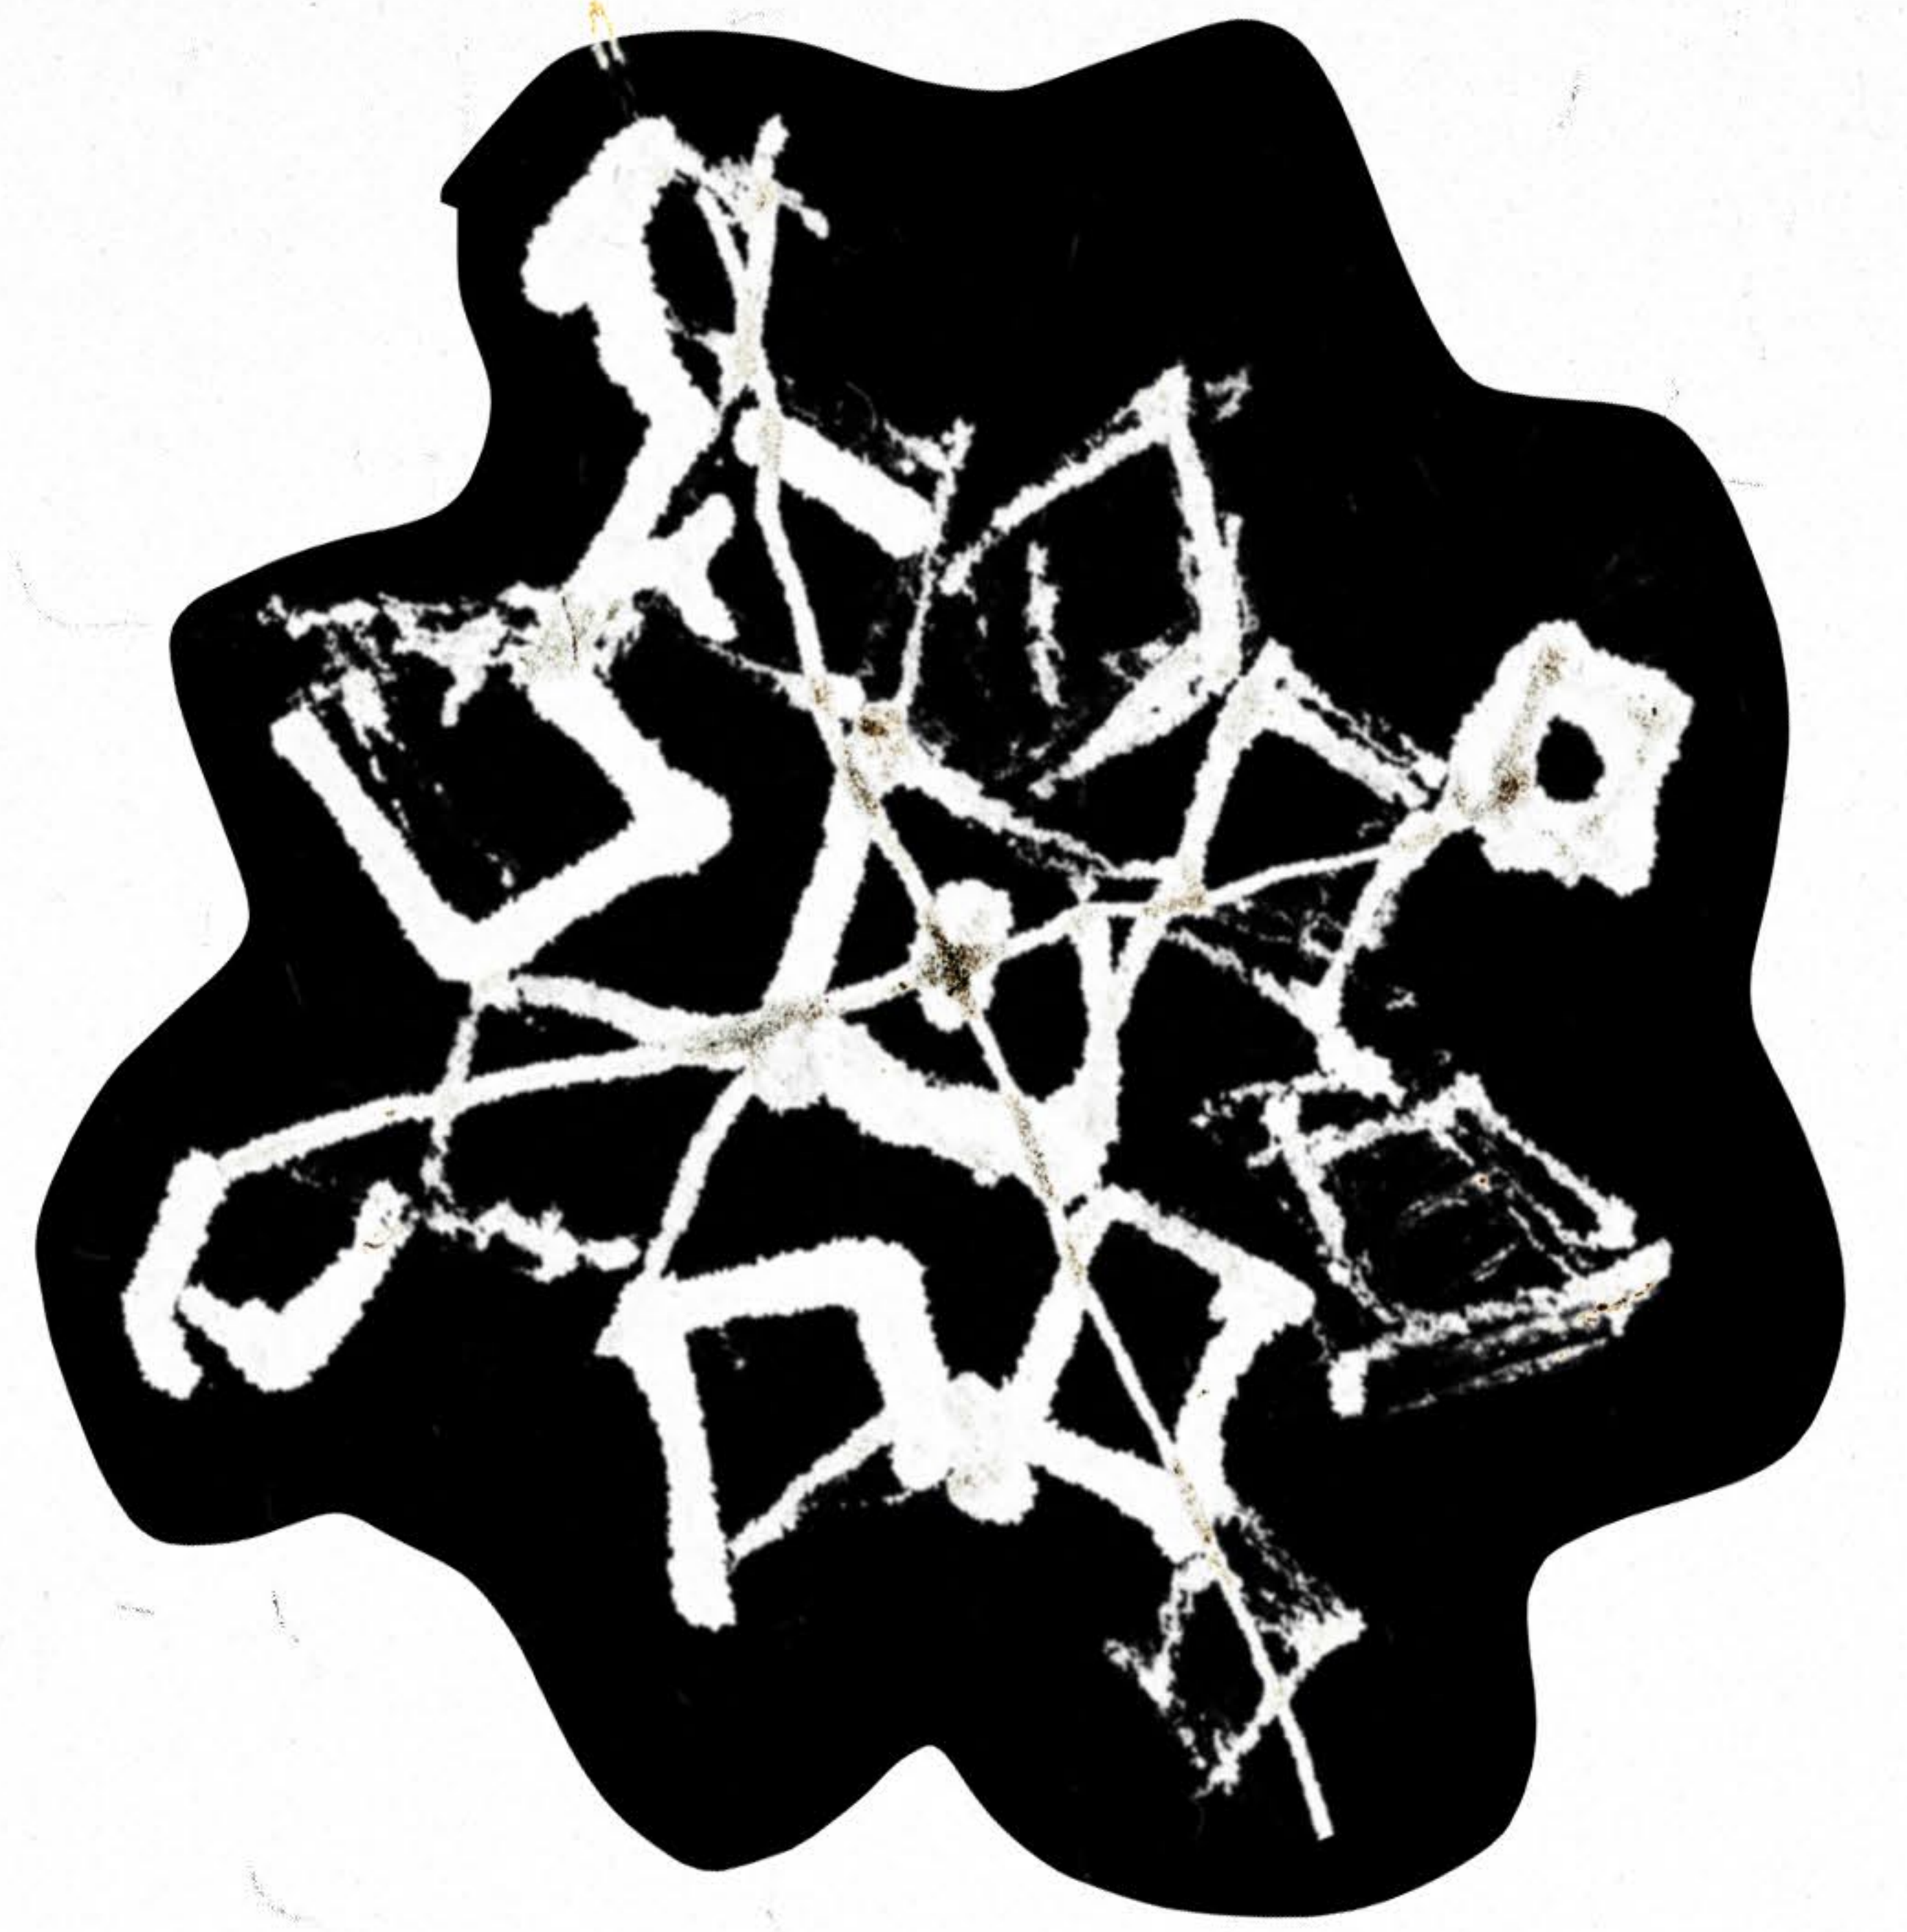

Soon on stage
snow flakes began to fall.
"Just look at that!"
Wilhelmina said
"I didn't wet myself
at all."

That's snow that
melt in my lap.

Now with great relief,
Milk ~~Wilhelmina~~ Wilhelmina
pirouetted in one grand
leap. Then dipped
and tipped her cap,
and everybody clapped
and clapped.

And that's the story
of how little Wilhelmina
became Santa's favorite
ballerina.

So

So should you have
an accident,
please don't fret
and please don't cry.
For all things that start
out wet,
usually end up being dry
