DIRK

MONSIEUR DIRK demonstrates
how he created his famous
"La Baguette" hat.

Monsieur Dirk is in the
avant garde of the new
ecologically correct mode.

“La Baguette”
is chic as well as edible.

The "Chapeau Intellectual"
is decorative and educational.

The "Chapeau Tour Eiffel"
is provocative
but also a souvenir.

The "Chapeau Patriotique"
is politically correct
and utilitarian.

"The Chaplain de mariage
is innocent yet sexual."
