

WHAT
IS
FUNNY

HUMOR IS SEEING LIFE ASKEW,
A SILLY NON SEQUITUR,
HOW DO YOU DO?
A FLY IN THE STEW,
THAT'LL BE EXTRA
FOR THE MEAT,
SO WHAT ELSE IS NU?
IT MAKES -NO SENSE AT ALL,
AN **ABSURD** PLAY ON WORDS
THAT TEASES COMMON SENSE,
YOUR MONEY OR YOUR WIFE?

Humor is an excuse
for not crying.
Comedians die a
thousand times on
stage, a brave man
only once.

WOODY ALLEN

is a sage.
I heard a
rumor that
Hitler had no
sense of humor.
When he heard a pun,
funny Adolph
reached for his gun.
Scrooge never
laughed either.
Bob Cratchit
was his **STOOGEE**.

I've decided what I want
engraved on my tombstone.

My dreams are all
 so boring,
 they put me to sleep.
 Knock, knock.

Who's on Hearst?
 Marion Davies!
 We all guffaw

at comics' repertoire,
 the Whoopie Goldberg cushion,
 shoe laces tied together,
 the pratfall and slapsticks,
 a little seltzer in your face,
 the banana peel
 with flying pie in the eye.

Is that a life saver
in your pocket
or are you just
happy to see me?

a KICK ME sign
on the RUMP.

Think of **DONALD TRUMP.**

A giant powder
puff in the face never fails,
Make up!

But bawdy limericks
are the best,
anything that
rhymes with breasts.

I dreamt last night
I proposed to a girl
who was wearing no
clothes. In her garden
for hours, I watered her
flowers, and
awoke with a

from
my hose.

Both Edward Lear
and his nonsense rhymes
were queer.

Nonsense roams the mind
like a koan.
Please may I tickle
your funny bone.

"Say goodnight Groucho."
