

PATRICK DEWAERE

photographed by
Duane Michals

Patrick Dewaere was the most famous French actor of his time, whom I had never heard of when I photographed him in 1981.

I met Patrick at a swanky West 57th street hotel.

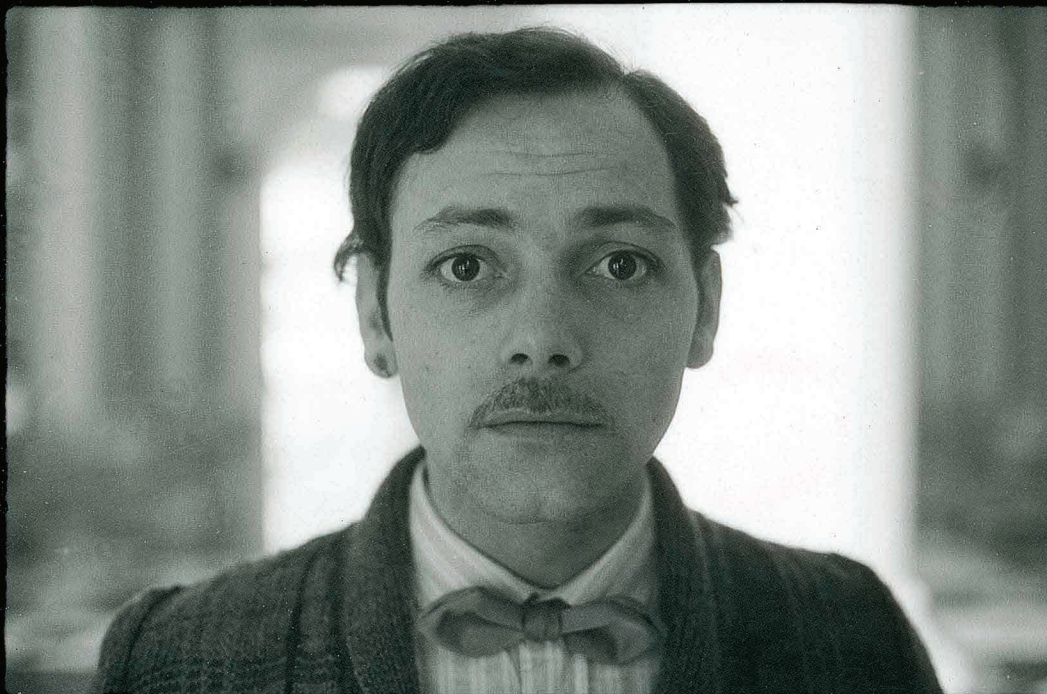

We met in the mirror studded lobby
which dazzled me.

I seemed to be surrounded by a
multitude of Patricks look-alikes in
all the mirrors.

Was I seeing double?

The photographs were never published. Recently, I found the negatives in my files

Patrick committed suicide in 1982.
